DAYITVA' is a social sensitivity cell of SVKM's Dr. Bhanuben Nanavati College of Pharmacy. "DAYITVA" is a *responsibility*; an initiative by our college youth towards the society. Dayitva Team organized their second activity towards the social responsibility- "DAY OUT WITH KIDS"- for the underprivileged children of the slums of Damu Nagar, Kandivali (East). It was an event that stretched through the entire day. The activities included a Drawing competition, an Art & Craft Workshop comprising of Card- & Lantern- making and provisions of food and drinks for the children.

During the event, Mr. Gopal Shetty, a Member of Parliament from North Mumbai, who happened to be in the vicinity also dropped by for appreciating the Dayitva Team and BNCP for their efforts and whole heartedly congratulated the youngsters of the college for their social contribution. The smile and joy brought on the children's faces gave immense happiness to our young members. The day ended with a heart full of moments of happiness and a promise to return soon.
