Third year B. Pharm Syllabus -Orientation programme -(2021-2022)

On behalf of SVKM's Dr. Bhanuben Nanavati College of Pharmacy, Third year BPharm Class coordinator and Discipline committee organized a syllabus orientation programme meet on 30th June 2021 from 3p.m to 5p.m on virtual platform with an objective set by our respected Principal madam, Dr. Munira Momin to introduce and familiarise the students with the subjects of Third year BPharm 2021-2022 (Revised 2019 syllabus) and also to encourage active participation in various academic, co-curricular and research activities enhancing and sharpening their both Professional and Overall personal development and thus moulding students to be intellectually and emotionally stable.

On behalf of Third year BPharm Class coordinator and Discipline committee, Dr. Meenal M Rane welcomed our Principal madam. Principal madam inspired students with her thought provoking, encouraging, appreciating words. Considering the current pandemic situation, Principal Madam strongly urged everyone to get vaccinated for the safety of one and all. Principal Madam emphasized on attending lectures and practicals regularly with extending complete support to do the practicals offline to those interested students once they start attending college offline. It was then followed by introduction of our BNCP Counsellor, Ms. Vanmala Rao by Dr. Meenal. In her interaction with students, Vanmala Madam made students aware of the need to get counselled. Madam also discussed few myths and facts about getting oneself counselled. She too extended her help and continuous support to students by sharing her contact and email details.

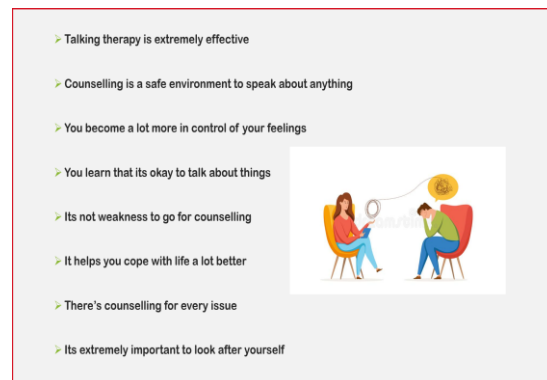

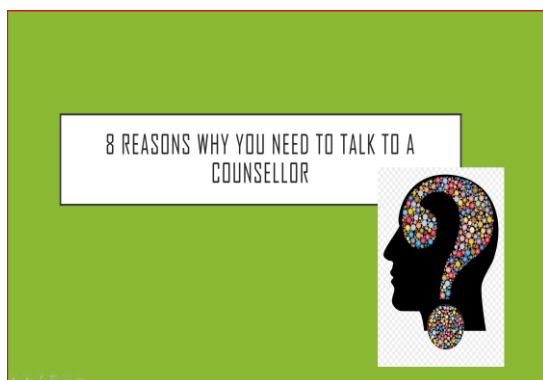

Further the programme was focused on introducing students to their subject teachers and the subjects of the syllabus. All the subject teachers gave an excellent overview of the need to have a particular subject and topic in the said academic year and also guided them to the various resources available to study and master it. It was then followed by

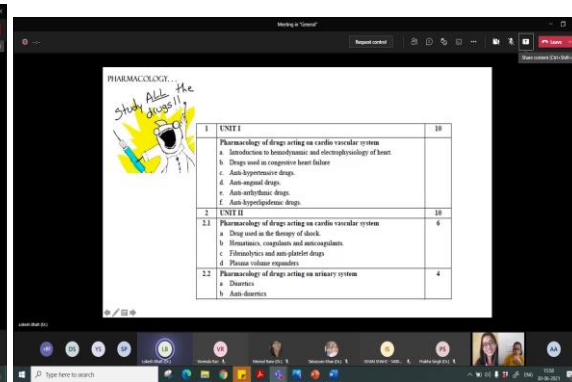

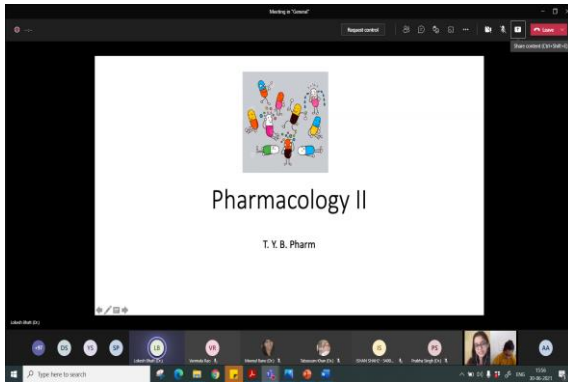

address talk by Dr.Sujata P.Sawarkar about the various activities of the College Student support and Skill development committee. In her interaction, Sujata Madam shared her valuable and kind words of suggestions and motivation. Sujata madam also shared the career preference feedback link with students.

The students were then addressed by Dr.Tabassum Khan wherein Madam explained about various research oriented activities such as Avishkar competition and Scintellect-activities students can participate apart from Academics participation .Madam explained the process and how students can get benefited from them in their future endeavours. To demonstrate the importance and share the true flavor of such participations, Ms.Jhanvi Javeri student of current Final year BPharm was invited to share her experience of been active participant of Scintellect activity including writing of review publications and working on research project.

The orientation ended with a vote of thanks by Dr.Meenal M Rane followed by clicking of few screenshots with faculty,students, and Principal madam.
