## **Train the Trainer Program-2017- A Report**

### **Teacher's Training workshop on**

### **“Teaching Strategies for conceptual learning in Organic Chemistry”**

A “Train the Trainer workshop was organised for the Organic Chemistry teachers of pharmacy colleges affiliated to University of Mumbai at SVKM's Dr. Bhanuben Nanavati College of Pharmacy on September 08, 2017. Dr. Krishnapriya, Professor, Dept. of Pharm. Anal., Bombay College of Pharmacy, Mumbai, conducted this workshop as the trainer. The objective of this workshop was to strengthen teaching strategies for enhanced student learning in organic chemistry. This workshop involved conceptual learning of fundamental concepts in organic chemistry viz. atomic orbitals, hybridization, electronegativity, electrophilic aromatic substitution reaction mechanism, correct representation of reaction mechanisms. The faculty from other colleges appreciated this initiative by BNCP. A feedback was taken to identify the need of future Train the Trainer workshops that could be scheduled in October-November 2017.
