

Report of Seminar on “Essentials of Health Awareness” held on 25th September 2017

SVKM's Dr. Bhanuben Nanavati College of Pharmacy organized a Seminar on 25th September to celebrate “WORLD PHARMACIST DAY”. The theme of the seminar was “Essentials on Health Awareness” The invited eminent speakers for the event were Dr Rama Vaidya, Reproductive Endocrinologist, Dean of *Medical Research Centre* Kasturba Health Society and Dr Shweta Dudhat, MDS, Endodontist & Cosmetic Dentist. The event was organized for the M Pharmacy students. The event began with a welcome address by Dr Prabha Singh, which was followed by felicitation of guests by Principal Madam with a floral bouquet. Dr Rama Vaidya gave a very insightful talk on raising awareness of prediabetic symptoms. The title of Madams presentation was “**Insulin Resistance and Pharmacological Interventions**”. This was followed by another interesting talk by Dr Shweta Dudhat on Dental Care and the various applications of pharmaceutical products used in dental care. The dignitaries were honored by presenting them with a token of appreciation and certificate after their talk was concluded. The event was a success as after the presentations a good interaction session with the students followed. The glimpses of the event are as follows
