

LUMINESCENCE 2018-2019

The students of Bhanuben Nanavati College of Pharmacy took part in “Luminescence” 2018-19, an academic science intercollegiate competition conducted by the SVKM’S Mithibai’s Department of Biochemistry. The competition was held on 8th August 2018

Many students participated in various events like InQuizitive, Make a Point etc.

Shubham Mewada and Prajakta Rao secured the second position in InQuizitive.

It was an enriching experience for the students to compete against a number of students coming from different colleges across the city. It was a great opportunity for the students to put their knowledge to the test, as well as learn from the experience.
