

ALUMNI INTERACTION REPORT

An alumni interaction with the third year B. pharm class was arranged on 14th July 2018.

The Alumni were addressing the students were Ketan Panchal, Team Manager, Flipkart packaging and Abhishek Ranjan, Practo. The session commenced with Mr Ketan Panchal explaining the background of the packaging industry and how he made a career in it. He also explained to the students what the different areas of expertise in the packaging industry. Then, Mr. Abhishek Ranjan conversed with the students about his journey after B.Pharm in acquiring an MBA degree and also gave an overview about MBA in general along with explaining online medical marketing. He also answered queries of the students who were thinking on a similar line. Finally the alumni discussed the difficulties students were facing regarding choosing a career path for themselves. Towards the end of the seminar, all the students present had a clearer idea about the fields the alumni were into and the scope for future career and growth.
