Report of Industrial Visit to Jayna Packaging Pvt. Ltd.

Dr Bhanuben Nanavati College of Pharmacy had organised a field visit on Saturday, 13th October, 2018 to Jayna Packaging Pvt. Ltd., Jayant House, Kurla (W), Mumbai- 400070 for the students of Third Year B. Pharm. Dr. Atul Sherje was a coordinator for the visit and total 48 students of Third year participated in the visit.

Visit to the Jayna Packaging facility was very enlightening and informative experience for the students. The students learned how corrugated fibre boards are made. They also learnt various types of industrial cardboard and their uses as a packaging material for all industries including Pharmaceutical, Cosmetics, Food, Furniture, etc. The students were shown the innovative uses of cardboard, in which Jayna Packaging Industry specialises. Some of these inventions were solutions to common social problems. One of which is the use of cardboard for making a portable loo for females which can be especially useful while traveling. It addresses the issue of female safety and hygiene and at the same time upholding the promise of providing feasible toilets to people across India.

The students also had a short interaction with the Managing Director, Mr Haresh Mehta. A truly humble man who made his way up the rungs of success, he shared his story with the students.

It was a very educational and at the same time very inspirational session for the students.
