A Report of Talk entitled **How to effectively publish and communicate your science internationally**

Date: 13th December 2018

SVKM's Dr. Bhanuben Nanavati College of Pharmacy as a part of IQAC activity organized a talk entitled **How to effectively publish and communicate your science internationally** on 13th December 2018. The resource person was Dr. Bhavik Sawhney Associate Editor, BioMedicine Springer Nature. The event was attended by faculty and research students of SVKM institutes. The event commenced with welcome note by Principal Dr. Munira Momin. In his lecture Dr. Sawhney mentioned about publication ethics and COPE guidelines. He discussed about skillsets required for successful article submission, Predatory journals Future of Scientific publishing, Impact factor and other metrics. Dr. Bhavik mentioned about open access journals and encouraged the audience to publish in open access journals of Green category. Towards the end of his talk he, briefly discussed the various transformations in the scientific communication, the use of Artificial Intelligence, sharing negative data and open peer-review process. The session was interactive and it received overwhelming response from faculty and students. The event concluded with vote of thanks proposed by Dr. Sujata Sawarkar.
