A Report on

Workshop on Train the Trainer Program-2017
Teacher's Training Program on "Teaching Strategies for conceptual learning in Organic Chemistry"

Train the Trainer program has been organised for teachers of Mumbai University at Dr. Bhanuben Nanavati College of Pharmacy on 08.09.2017 in the session of 10 am to 1.30 pm. Dr. Krishnapriya, Professor, Bombay College of Pharmacy, Mumbai, was invited as a program coordinator. The objective of the program is to strengthen the teaching learning skills in organic chemistry subject. She started workshop with basic concepts in organic chemistry i.e., starting from atomic orbitals to electrophilic aromatic substitution. Following are the topics covered in the program. She discussed other topics like Electronegativity, Chemical Structure, Organic reaction, mechanism, representation of mechanism, use of curved arrows.

No of participants: 23
