**Session name-** One day Workshop on Patent Drafting and Filing of Pharmaceuticals

**Date-** 18<sup>th</sup> May, 2018.

**Time-** 10:00am onwards.

**Venue-** Dr. Bhanuben Nanavati College of Pharmacy

**No. of Participants-** 56

On May 18, 2018, a one-day workshop on "Patent Drafting and Filing of Pharmaceuticals" was conducted at the Dr. Bhanuben Nanavati College of Pharmacy in Mumbai. The workshop aimed to provide attendees with a thorough understanding of the patent drafting process, legal requirements for patent filing in the pharmaceutical industry, and the current regulatory landscape.

The workshop was attended by a total of 56 participants, including pharmaceutical professionals, legal experts, and students. The attendees were from different backgrounds and levels of experience, ranging from novices to experienced professionals.

The speaker for the event were Mr. Vijaykumar Shivpuje, Director, Patlex Bussiness, Dr. Ashwini Sandu and Dr. Sunil Jagtap.

The Guest speakers were felicitated by Principal Dr. Munira Momin

**Content and Activities:**

The workshop commenced with an introduction to the basics of patent drafting and filing. Speaker explained the significance of patents in the pharmaceutical industry and how they can be used to protect innovations and gain a competitive edge in the market.

The attendees were then led through the process of drafting a patent application, including the different sections of a patent document and the legal requirements for each section. They provided examples of patent applications and explained how to write clear and concise claims.

The workshop also covered the process of filing a patent application, including the various forms and documents required and the timelines involved. The speakers discussed the importance of timely filing and the consequences of missing deadlines.

During the workshop, attendees participated in interactive sessions, where they were given the opportunity to ask questions and engage in discussions with the speaker and other attendees. The attendees also worked in small groups to draft a mock patent application, which was then reviewed and discussed by the speakers.

The one-day workshop on "Patent Drafting and Filing of Pharmaceuticals" provided attendees with an in-depth understanding of the patent drafting process and legal requirements for patent filing in the pharmaceutical industry. The workshop was a great opportunity for professionals and students to learn from an expert in the field and engage in discussions with their peers.
