Why recruit BNCP Students?

We are not just a college, but an Institution with the Idea of creating better Pharmacists, better leaders and most importantly better citizens.

The Institute has earned fame not only for its excellent academic, co-curricular & extracurricular activities but also for research and development activities.

President's Prologue

On behalf of SVKM, I take this opportunity to express my views about our fresh, vibrant graduates and post graduates who will be excelling from **Dr. Bhanuben Nanavati College of Pharmacy** and entering the professional world in the year 2018.

The vital role that the pharmacy plays in our daily life and overall growth is acknowledged in every corner of the nation during the last six decades since independence. There has been a rapid expansion in the healthcare sector of the nation. However, the issues, which need to be looked after are the quality of research with specific reference to the constantly varying needs of the society. The college has developed positive attitude to maintain the standard of pharmacy education.

Presently **Dr. Bhanuben Nanavati College of Pharmacy** is one of the top most and sought after Pharmacy Institutes in the state of Maharashtra. B.Pharm Programme is Accredited by National Board of Accreditation for 5 years till 2022. The college is ranked 42 - National Level (Pharmacy College) & Ranked # 4 in Mumbai City (Pharmacy College) by National Institutional Ranking Framework (NIRF-2017), Government of India. AICTE awarded the college for the Best Industry-linked Pharmacy College - Degree - 2015, Platinum Category - 2016 and established college - 2017.

I take this opportunity to invite national and international companies for undergraduate and post graduate placements. I am sure your organization will serve as a dynamic learning ground for our students preparing them for industry challenges.

Shri Amrish R. Patel

President, SVKM

Message from the Mentor

SVKM's BNCP has made its niche by providing quality innovative programs in an industry oriented, professionally learning, competent and competitive mind-set to fulfil the aspirations of the students.

The prime strengths of the institute are the highly competent students, dedicated and research oriented faculty, staff and the state-of- the-art infrastructure. The institute shares a wonderful relationship with industry as they continue to seek assistance in various projects where our students participate actively. The institution incorporates the best features of Pharmaceutical

Education to equip the students to face the challenges of the radically changing and unpredictable pharmaceutical environment in India and abroad.

The college is awarded with Best Industry-linked Pharmacy Institute (Degree) on All India Basis by AICTE – CII as per the survey 2015 and 2017 itself is explanatory. I am proud of what the college has achieved within a short span of time and look at the future with optimism and confidence. The results of earlier batches of BNCP and their placement in reputed pharmaceutical organizations reflects the sincere efforts of the institutes.

I am confident that the current batch students are well groomed in academics and professional etiquette to become a cardinal component of pharmaceutical industries. I sincerely convey my best wishes to the students for their future success.

Mr. Jayesh P. Choksi

Chairman and MD, Gufic Biosciences Ltd.

Foreword from the Director

SVKM's Dr. Bhanuben Nanavati College of Pharmacy (BNCP) was set up with the vision to be recognized as a top institute of pharmaceutical sciences in the country to develop professionally competent and socially sensitive individuals catering to the needs of higher pharmacy education, research and industry.

BNCP is flourishing under the aegis of SVKM and Visionary leadership of Shri Amrishbhai Patel – President, SVKM. BNCP has a dedicated team of faculty who are always supported with world class infrastructure, to create excellent blooming pharmacists by providing an extraordinary teaching.

BNCP provides peaceful ambience to the students to pursue their study which help the students to become virtuous pharmacists who would make a valuable contribution to society. In the process, they groom themselves as future leaders.

I Congratulate the students for making RIGHT CHOICE and wish them all the very best for starting their careers and their self-development into successful individuals catering to the pharma industry, society and the country.

It gives me great pleasure to welcome you to the campus!

Dr. R. S. Gaud

Director, SVKM's Pharma Institutions

From the Principal's Desk

On behalf of BNCP, I take this opportunity to invite you to our campus for conducting campus selection programs for our students.

We are proud to inform you that our B.Pharm Programme is Accredited by National Board of Accreditation for 5 years till 2022. We are ranked 42 - National Level (Pharmacy College) & Ranked # 4 in Mumbai City (Pharmacy College) by National Institutional Ranking Framework (NIRF-2017). AICTE awarded our college for the Best Industry-linked Pharmacy College-Degree - 2015, Platinum Category – 2016 and Established College Category – 2017.

We have won Rx 2017 for the 6th time in a row organised by Indian Pharmaceutical Association.

We provide excellent infrastructural facilities; which include well furnished laboratories with latest equipments, computerized library with highly educative & informative text books, national & international journals and publications. College has made various innovative programs to make pioneer institute in the field of Pharmacy education and sciences by intangible relationship and practical training, the teaching tactics comprise of research oriented projects, guest lectures, industrial visits, computer aided technologies and more of interactive and application oriented learning. Our students are skilled with conceptual knowledge, highly professional and ready to face the new challenges.

I take this opportunity to thank our regular recruiters who have been involved in lasting partnership with us over the year. Their support is valuable and highly appreciated. At the same time, I would like to extend a special invitation to all recruiters who are seeking talent and excellence in their organization. I hope that the recruiting organizations will be able to drive immense benefit from this programme that will go in a long way for establishing fruitful mutual relationships.

Dr. Munira Momin

Principal

Dr. Bhanuben Nanavati College of Pharmacy

SVKM's Dr. Bhanuben Nanavati College of Pharmacy was established in 2004. Since then we have achieved brilliance in pharmaceutical culture and research and has become a center of excellence in the field of pharmaceutical sciences.

The college is affiliated to University of Mumbai and is approved by the All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI).

Focused to ensure academic and co-curricular facilities to a vibrant student community, the college is conscious of its role as a constructive & responsible component of the larger society.

Its consistent and unstinting efforts in this direction are borne out by the fact that students enter the college, young, immature, uncertain, bewildered, but leave its portals still young, but much more mature, self-confident, professionals, ready to lead rich lives of their own while enriching that of the society.

Placement Cell

The placement committee at Dr. Bhanuben Nanavati College of Pharmacy lays emphasis on the Final Placement and Summer Internship. Students are trained and prepared to face the real life situation in the corporate world. An exclusive placement cell under the guidance of a professor collects the students data and maintains a comprehensive database for ready reference of the interview committees. The college provides an environment for holistic development and overall personality development. Resource persons and professionals from the field of communication and interpersonal skills equip our students with necessary soft skills required to face the interviews in today's competitive world. Such training exposure gives students a competitive edge in today's global employment market. The students are encouraged to set goal and work towards fulfilling it.

To become a butterfly, metamorphosis is necessary. If the caterpillar never went through this process of change, it would never achieve its great destiny and become its most glorious self.

We can reach our great destinies by changing what needs to be changed.

Placement Committee

The Placement cell is responsible for campus placements. The Professor in charge, the faculty in-charge, Placement Executive & the student coordinators handle various crucial tasks including reaching out to companies, scheduling & executing placement-related activities. The team strives to strike a match between recruiter expectations & student aspirations.

Kunal N. Prabhu
Research Associate, DRA
Alkem Laboratories Ltd.

It has been a memorable journey of 2 years at BNCP wherein I developed my technical as well as inter-personal skills that has prepared me for whatever life throws at me. The faculty is well-experienced, very knowledgeable and helpful towards the students. Regular guest lectures apart from industrial visit helped me to interact with renowned persons from industry and academia. Hands on experience on sophisticated instruments in laboratories has contributed to enhanced learning. The extracurricular activities including conferences and seminars have helped me to develop the knack of planning, co-ordinating and also leadership qualities. The placement cell of BNCP has not only helped students to explore the best opportunities in the industry but also helped the students to improve upon their soft skills by organizing various soft skill sessions, mock interviews conducted by experiences persons from industry. The overall learning experience has helped me to bridge the gap between industry and academia. I would like to thank this SVKM's institution for moulding me into a confident and independent person I am today”.
