SVKM's Dr. Bhanuben Nanavati College of Pharmacy, situated in Vile Parle (West), Mumbai, is one of the premier pharmacy institutions in Maharashtra. Established in 2004, the institute is committed to excellence in pharmacy education, research, innovation, and professional development.

The institute has been permanently affiliated with the University of Mumbai since the academic year 2018–19 and is approved by the Pharmacy Council of India (PCI). It is recognized under Section 2(f) of the University Grants Commission (UGC) Act, 1956. The four-year B.Pharm. programme is reaccredited by the National Board of Accreditation (NBA) until 2029, and the institute has been accredited with an A++ grade (CGPA 3.64) by the National Assessment and Accreditation Council (NAAC). The institute also offers M.Pharm. programmes in Pharmaceutics, Quality Assurance, Pharmacology, and Pharmaceutical Analysis, and is a recognized Ph.D. research centre in Pharmaceutical Chemistry, Pharmaceutics, and Pharmacology.

The institute fosters a strong research culture through interdisciplinary research, sponsored projects, consultancy, and collaborations with national and international industries and research organizations. More than 90% of the faculty members hold doctoral degrees and actively contribute to research, publications, patents, consultancy, and professional development.

The institute has received several prestigious recognitions, including the AICTE-CII Best Industry-Linked Pharmacy College Awards (2015 and 2017), Platinum Category recognition (2016), and the 2nd Rank in the AICTE-CII Best Industry-Linked Pharmacy College Survey (2021). In the NIRF 2025 Rankings, the institute secured the 38th rank among pharmacy colleges in India.

Committed to the holistic development of students, the institute regularly organizes guest lectures, seminars, workshops, industrial interactions, career guidance programmes, and Skill Development Certificate Courses to enhance professional competence and employability. Students are also encouraged to participate in research, extension, and community outreach activities, promoting leadership, ethical values, and social responsibility.

During the year, the institute won the Best College Trophy at TVISHA 2.0, organized by the APTI Maharashtra State Branch, and the Best College Trophy at the Rx-Tarang Festival organized by the IPA Maharashtra State Branch – Students' Forum, marking its second consecutive and thirteenth championship victories, respectively.

With its strong academic foundation, vibrant research ecosystem, industry collaborations, and student-centric approach, the institute continues to nurture competent pharmacy professionals dedicated to advancing healthcare and serving society.

When freedom meets persistence: Building a research career from an unconventional start

Chintan Bhavsar

Posted on Apr 24, 2026 in OTHER, SCIENCE, NETWORKING, PERSONAL EXPERIENCE AND YOUNG INVESTIGATORS

Part of the Journey of a Young Investigator 2026 series, this story traces how an early academic rejection redirected Chintan Bhavsar's path toward interdisciplinary cancer research, global collaborations, and eventually building a translational research lab in India. Shaped by strong mentorship, persistence, and risk-taking, his journey highlights the power of unconventional beginnings in scientific careers.

Most research careers don't begin with freedom; mine began with a rejection.

June 2015: I stared at my GRE scores and knew what they meant: no MS programmes in Immunology in the United States – a dream I had always wanted to pursue. Instead, I enrolled in a Master of Pharmacy programme at my alma mater, trying to convince myself that this was the end of my research ambitions! Looking back, I realise that this rejection was, in fact, a blessing in disguise.

INFRASTRUCTURE - COLLEGE, LIBRARY, AND DEPARTMENTS

INFRASTRUCTURE AND FACILITIES

The college campus offers a well-planned and student-friendly environment with state-of-the-art infrastructure and modern facilities that support academic excellence, research, innovation, and overall student development. Spacious classrooms, well-equipped laboratories, a comprehensive library, advanced computer and digital learning resources, and dedicated spaces for co-curricular and extracurricular activities create an atmosphere conducive to effective learning, professional growth, and holistic development.

Building

The entire college premises is equipped with latest safety equipment such as CCTV, fire safety equipment. It has wireless, LAN connectivity and is fully air conditioned. The college has RIFD entry and the attendance of staff and students is registered through the RIFD entry.

Class Rooms & Tutorial Rooms

The College features spacious, fully air-conditioned classrooms and tutorial rooms equipped

with modern multimedia and audio-visual facilities to create an engaging and effective learning environment. Designed to encourage active interaction between faculty and students, the classrooms are fitted with smart

boards that support interactive teaching through the integration of diverse digital content, including images, illustrations, maps, graphs, animations, and videos. These advanced teaching aids enhance classroom engagement, promote interactive learning, and enrich the overall teaching–learning experience by enabling dynamic and technology-enabled delivery of course content.

Laboratories

The college has state of the art laboratories providing facilities for conducting various experiments in Pharmaceutics, Pharmaceutical Chemistry, Quality Assurance, Pharmacognosy, Pharmacology, Microbiology/Biotechnology, and Pharmaceutical Analysis.

A Quality Improvement Program (QIP) is organized regularly for the laboratory staff, faculty

& M. Pharm. students to train them in Good Laboratory Practices and Fire Safety Measures. An Emergency Rescue Team (ERT) is in place to tackle any kind of fire

emergency. This team is trained regularly on the use of fire extinguishers along with fire safety mock drills. We have well designed state-of-the-art laboratories equipped with the necessary infrastructure in terms of equipment, apparatus and chemicals. Laboratories are of adequate size to allow easy and safe working for the students.

Medicinal Garden

“SATVA VATIKA” the medicinal plant garden of the college covers an area of 71.35 feet. It is a very well-organized terrace garden having 46 potted plants. The plants in the garden include medicinal herbs, shrubs, trees, and xerophytes. These are used widely as food, medicine and cosmetics e.g, Aloe vera, Ashoka, Cinnamon, Amla, Bael, Eucalyptus, Datura, Brahmi, Black Pepper, Baheda etc. These plants are labelled nicely with their scientific names. The establishment of the medicinal garden has helped in generating awareness among students about the medicinal plants and their uses.

Museum

Museum at SVKM's Dr. BNCP, covers different sections like Pharmaceutics, Pharmacognosy, and Pharmacology. The museum of pharmaceutics displays various dosage forms like tablets, capsules, cosmetics, closures and packaging. Various formulations of different active pharmaceutical ingredients (both of synthetic and herbal origin) are displayed and maintained in the museum. The Pharmaceutics museum also displays balances, glass and porcelain motor pestle, various moulds of suppository, lipstick, Pastilles. In the Packaging section, it displays primary, secondary packaging. Also, it shows various closures like Child safety, Cap, Seal, Flip top cap. Various types of packaging of cream suck back tubes, Aluminum tubes. The museum of human anatomy and physiology/ pharmacology displays various anatomical models, some instruments used in experimental pharmacology etc. The museum of pharmacognosy displays various drugs obtained from natural sources, herbal products and herbal crude drugs.

Central Instrument Laboratory

The Central Instrument Laboratory (CIL) is a state-of-the-art facility designed to support advanced research activities at the college. It is air-conditioned and outfitted with the latest modern analytical equipment and instruments, including HPLC (Agilent Infinity 1260), UV-Vis Spectrophotometers (Shimadzu UV-1900), and Particle Size Analyzers (Malvern). The laboratory also houses a range of specialized equipment such as FTIR/ATR (Shimadzu IRAffinity-1S), a

Lyophilizer, Deep Freezers (-30°C & -80°C), an Ultraturax Homogenizer, Brookfield Viscometer, Photographic Microscope, Probe Sonicator, Microplate Reader (BioTek Synergy H1), Fluorescence

Microscope, Data Acquisition System, Lab Homogenizer (GEA PandaPlus 2000), and a Moisture Analyzer. Additionally, the CIL features Centrifuges, Rotary Evaporators, Melting Point Apparatus, Biochemistry Analyzer, and Dissolution Rate Testing Apparatus, among other instruments, ensuring comprehensive support for various research needs.

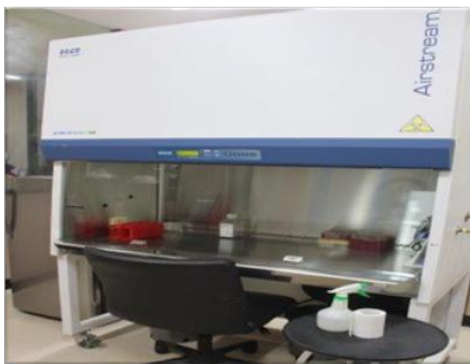

3D printing Laboratory

The college is equipped with advanced 3D printing technology specifically designed for pharmaceutical applications, reflecting our commitment to innovative research and innovation in the field. Our facilities include a 3D printer developed by Thincr Technologies, a pioneer in the 3D-printed pharmaceuticals sector. These include prototyping solid dosage form and oral films.

Aseptic Area and Cell Culture Laboratory

A cell culture laboratory includes primary barriers such as biosafety cabinets, enclosed

containers, and other engineering controls designed to remove or minimize exposure to hazardous materials, as well as personal protective equipment (PPE) that is often use in conjunction with the primary barriers. This laboratory helps the students to familiarize

themselves with Current Manufacturing Practices and procedures for sterility testing, experiments in biotechnology, micro-organisms, microbiological assays etc. Aseptic Area equipped with Laminar Air Flow. We have basic equipment like Cell culture hood (i.e., laminar-flow hood or biosafety cabinet), Incubator, Centrifuge, Refrigerator and freezer (-30°C), Liquid nitrogen (N₂) freezer or cryostorage container.

Pilot Plant

Pilot plants are intended for learning, smaller compared to demonstration plants. A pilot plant is a pre-commercial production system that employs new production technology and/or produces small volumes of new technology-based products, mainly to learn about it. It is well equipped with latest equipment/machines generally encountered in Pharmaceutical Industry. To mention a few are High Pressure Homogenizer, All Purpose Equipment, Lab. Spray Dryer, Weighing Balance, Electronic Balance, Moisture Balance, Tablet Compression Machine etc.

Animal House

The College has a state-of-the-art Animal House facility registered under CCSEA, Government of India. It provides pre-clinical testing in conformity with national and

international regulatory guidelines. The animal house facilitates the availability of healthy animals for UG and PG research projects and research/outsourced testing. An incinerator is also available at the animal house.

Research Facilities

Pilot Plant	SVKM's Research Facility	
High Pressure Homogenizer	Animal study facility	HPTLC
Extruder & Spheronizer	Cell culture facility	Particle size analyzer (Nano)
Lab Spray Dryer	HPLC (auto sampler)	Franz diffusion apparatus
Mini roll Compactor	UV-Vis Spectrophotometers	Rotary evaporator
Tablet Compression Machines	Precision Melting point app.	Ultracentrifuge/ Cold centrifuge
Coating Machine	Ultraturax Homogenizer	Deep freezer (-30oC)
Rapid Mixer Granulator	Flame Photometer	Liquid capsule Filling Machine

Double Cone Blender & Multi Mill	LC-MS-MS	Data Acquisition System
Micro fluidizer	Lyophilizer	Microplate reader
Electronic Balances	Fluorescence Microscope	Computational Facility
Electrospinning nanofiber equipment	E-Spin Nano Fiber	Deep freezer (- 80oC)
Vibrosifter	Pharmaceutical 3-D Printer	Binocular Inverted Microscope

IT Infrastructure: e-Learning Lab

The computer lab is equipped with computers having internet access available to all students. BNCP boasts of an excellent IT infrastructure that supports its pedagogy for out-of-class learning. The computer lab is equipped with 12 scientific software and language laboratory tools for training the students, it has state-of-the-art servers, computers, laptops, printers and scanners, projectors, modems, and other networking peripherals. The library timings are from 8 am to 7 pm Monday to Friday and 8 am to 5 pm on Saturdays.

Conference Room, Seminar Hall, Administrative Office

The luxurious interiors of the spacious conference room match with the corporate standards and is well equipped. The seminar hall having a seating capacity of 110 delegates is used for seminar, panel discussions & hosting cultural events. The college administrative office is well equipped, having qualified and supportive administrative staff.

Recreation Facilities, Gymkhana Facility

The college has provided a modern sports facility which includes a sports room for indoor sports like Table Tennis, Carrom, and Chess etc.

Facilities for the differently abled

The College has a ramp facility at the entrance and other necessary infrastructure for hassle-free movement of physically handicapped students.

Library

The Library Resource Centre provides quality learning and research resources for students and faculty. The library houses a collection of 8,555+ books, 10,000+ e-books (ProQuest Ebook Central), 70 ScienceDirect e-journals, 44 E-resources, 13 print journals, 778 bound volumes, 620 seminar reports, 450 M. Pharm dissertations, and 55 educational CDs. The library is fully automated with KOHA Library Management Software and Web OPAC, making it easy to search and access library resources. It

also provides a Book Bank Facility for students. The library is open Monday to Saturday from 8:00 a.m. to 7:00 p.m. To support learning and research, the library offers MAPMyAccess, a Remote Access Solution specifically designed to facilitate off-campus and anytime anywhere access to digital content owned by the library (<https://svkm.mapmyaccess.com>), and Turnitin plagiarism detection software to promote academic integrity. It provides a comfortable and resourceful environment that supports teaching, learning, research, and lifelong learning.

DEPARTMENTS

DEPARTMENT OF PHARMACEUTICAL CHEMISTRY, QUALITY ASSURANCE, AND PHARMACEUTICAL ANALYSIS

THRUST AREAS

- ❖ *Medicinal Chemistry, Rational Drug Discovery and Computer-aided Drug Design*
- ❖ *Solubility enhancement of API using CADD for docking and molecular simulation studies of API-polymer interaction*
- ❖ *Process chemistry and Natural product chemistry*
- ❖ *Analytical method development and validation studies*
- ❖ *Bioactivity-guided fractionation of extracts, isolation and characterization of phytoconstituents.*

DEPARTMENT OF PHARMACOLOGY

THRUST AREAS

- ❖ *The research activities are aimed at exploring the molecular pharmacology of drugs.*
- ❖ *Investigation of the adverse effects of chemicals and drugs.*
- ❖ *Following are therapeutic areas.*

Neuropharmacology

Cardiovascular Pharmacology

Cancer Pharmacology

Immunopharmacology

Metabolic Disorders

Inflammation and Pain

DEPARTMENT OF PHARMACEUTICS

THRUST AREAS

- ❖ *Solubility enhancement of BCS Class II & IV drugs, nutraceuticals for malnutrition management, cosmeceuticals, herbal and wound healing formulations.*
- ❖ *Formulation development of targeted delivery systems using nanotechnology based on micro and nanospheres, liposomes, solid lipid nanoparticles, nanostructured lipid carriers, SNEDDS, hollow gold and silver nanoparticles for targeting to various organs.*
- ❖ *Preformulation studies, drug excipient compatibility study, utilizing novel excipients, Physicochemical characterization of developed dosage forms, drug release studies by in vitro and ex vivo evaluation methodology*
- ❖ *Optimization using QbD and DOE principles*
- ❖ *Cell line studies for anticancer activity and cytotoxicity bioassays and Pharmacokinetic study for bioavailability assessment*
- ❖ *Conducting Stability studies for shelf-life prediction as per ICH Q1A*

DEPARTMENT OF PHARMACOGNOSY

THRUST AREAS

- *Quality control and standardisation of herbal drugs according to pharmacopoeia and WHO guidelines.*
- *Extraction of herbal drugs and conduct of preclinical safety and toxicity studies.*
- *Biological evaluation of crude drugs.*
- *Formulation development of herbal cosmetics, nutraceuticals and natural colorants.*

Key areas: Diabetes, Metabolic disorders, Cancer and Cosmeticology.

COLLEGE COLLABORATIONS

The major activities with different collaborators include lecture series, faculty as well as students' joint projects and publications, sharing the facility of student start-up programs, placement activities, internship, health awareness, and training programs.

FACULTY PRESENTATIONS IN NATIONAL AND INTERNATIONAL CONFERENCES

1. **Dr Lokesh Bhatt** presented poster titled “Amelioration of Amyloid- β Induced Cognitive Dysfunction by Nifuroxazide via STAT3 & NLRP3/NF-KB Pathway Inhibition” at XXVII World Congress of Neurology (WCN 2025) held at Seoul, South Korea from 12/10/2025 to 15/10/2025.
2. **Dr. Arati Prabhu** presented a collaborative research work ‘Novel Cyclopenta[d]pyrimidine derivatives as promising anticancer agents’ at International e-Conference on Multifaceted Applications in Biotechnology and Applied Sciences, held from 29/08/2025 to 31/08/2025 (online mode) organized by EduLeviat Pvt. Ltd. - A MSME Udyam and Startup India Registered Company. Awarded 1st prize in faculty category (Oral presenter - Dr. Sonal Manohar, SDSOS, NMIMS).
3. **Ms. Siddhi Bagwe** presented a poster titled “Pharmacology Beyond Borders: Simulation, Gamification, and Hybrid Models for Interdisciplinary and Outcome-Based Education” at the 2nd International Conference on Innovative Teaching and Exuberant Learning- Advancing Pedagogy Through Innovation: iCiTeL-2.0 organised by Centre for Innovative Teaching and Exuberant Learning (CiTeL) of AI-Kalsekar.
4. **Dr. Prachi Pathak** presented a poster titled “Integrating environmental and sustainability literacy in pharmacy education: barriers, approaches, and international insights” at the 2nd International Conference on Innovative Teaching and Exuberant Learning- Advancing Pedagogy Through Innovation: iCiTeL-2.0 organised by Centre for Innovative Teaching and Exuberant Learning (CiTeL) of AI-Kalsekar.
5. **Dr. Afreen Khan** presented a poster titled “Artificial Intelligence for Adaptive Assessment in Chemistry Education: Enhancing Conceptual Understanding and Inclusivity” at the 2nd International Conference on Innovative Teaching and Exuberant Learning- Advancing Pedagogy Through Innovation: iCiTeL-2.0 organised by Centre for Innovative Teaching and Exuberant Learning (CiTeL) of AI-Kalsekar.
6. **Dr. Madhavi Apte** presented a poster titled “Learning by doing: The transformative role of innovative pedagogy in higher education- redefining learning through participation, creativity, and practice” at the 2nd International Conference on Innovative Teaching and Exuberant Learning- Advancing Pedagogy Through Innovation: iCiTeL-2.0 organised by Centre for Innovative Teaching and Exuberant Learning (CiTeL) of AI-Kalsekar.
7. **Dr. Sandip Zine** presented a poster titled “Cultivating Universal Human Values Through Innovative Pedagogy in the Age of Technological Advancement” at the 2nd International Conference on Innovative Teaching and Exuberant Learning- Advancing Pedagogy Through Innovation: iCiTeL-2.0 organised by Centre for Innovative Teaching and Exuberant Learning (CiTeL) of AI-Kalsekar.
8. **Dr. Arundhati Abhyankar** presented a poster titled “Isolation, Extraction, and Screening of anti-diabetic activity of an herbal extract” at National-level symposium-

Synergy HQ 1.0 (under the PG category) organized by Vivekanand Education Society's College of Pharmacy, held on 10/10/2025.

9. **Ms. Akshata Pahelkar** presented an oral paper on “Development of a Dark Chocolate-Based Nutraceutical Formulation Enriched with Quercetin, EGCG, and Ferulic Acid for Enhancing Iron Absorption and Women’s Health” at the International conference on Science and Technology for wellbeing: Innovation and Trends organized by Department of Basic Sciences of Chhatrapati Shivaji Maharaj University in Association with CSIR-CEERI, Pilani, Government of India and NITTTR, Chandigarh, Government of India held on 01/11/2025-02/11/2025.
10. **Dr. Vasanti Suvarna** presented an oral paper on “*Ricinus communis*” carbon dots for curcumin detection and bioimaging” at the International conference on Science and Technology for wellbeing: Innovation and Trends organized by Department of Basic Sciences of Chhatrapati Shivaji Maharaj University in Association with CSIR-CEERI, Pilani, Government of India and NITTTR, Chandigarh, Government of India held on 01/11/2025-02/11/2025.
11. **Dr. Rashmi Mallia** presented a poster titled “Formulation of Lavender oil loaded Self-Microemulsifying Drug Delivery System for Psoriasis management” in the 1st International Electronic Conference on Medicinal Chemistry and Pharmaceutics (ECMC-P 2025) (Virtual mode) on 01/11/2025 to 30/11/2025.
12. **Dr. Rashmi Mallia** presented a poster titled “Formulation and Evaluation of SNEDDS for management of dandruff” at the International conference on Science and Technology for wellbeing: Innovation and Trends organized by Department of Basic Sciences of Chhatrapati Shivaji Maharaj University in Association with CSIR-CEERI, Pilani, Government of India and NITTTR, Chandigarh, Government of India held on 01/11/2025 to 02/11/2025.
13. **Dr. Tabassum Khan** presented three posters titled “Intranasal Administration of Ashwagandha and Brahmi -Loaded Chitosan Nanoparticles: A Novel Approach in Anxiety Management”, “Acmella oleracea flowers - transforming traditional tribal knowledge to consumer-friendly gel for healing oral ulcers”, and “Development and evaluation of an herbal nanoemulgel for acne and post-inflammatory hyperpigmentation” at the 12th International Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-12) and THAIMAP 2026 hosted by the Mediterranean Society (AMAPMED) and School of Allied Health Sciences of the Walailak University (Thailand) from 21/01/2026 to 24/01/2026 in (Chon Buri) Bangkok, Thailand.
14. **Dr. Prachi Pathak** presented two research paper titled “A Polyherbal Approach to Wound Care: Development of a Metered-Dose Film-Forming Spray Using Modified Panchavalkal Extract” and “Quantitative HPTLC Analysis of β -Sitosterol from *Vanda roxburghii* and Development of a Bioactive Film-Forming Spray” at the 12th International Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-12), and THAIMAP 2026 hosted by the Mediterranean Society (AMAPMED) and School of

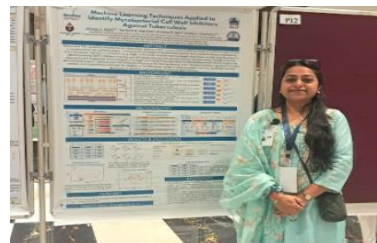

Allied Health Sciences of the Walailak University (Thailand) from 21/01/2026 to 24/01/2026 in (Chon Buri) Bangkok, Thailand.

15. **Dr. Prerna Waghmare** delivered an oral presentation on “Integration of Experimental and Molecular Docking Approaches to Evaluate the Antimicrobial Potential of a Polyherbal Gel from *Argemone mexicana* and *Carica papaya*” at the 12th International Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-12) and THAIMAP 2026 hosted by the Mediterranean Society (AMAPMED) and School of Allied Health Sciences of the Walailak University (Thailand) from 21/01/2026 to 24/01/2026 in (Chon Buri) Bangkok, Thailand.

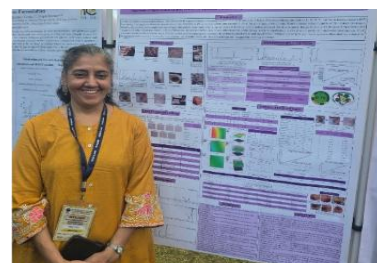

16. **Dr. Mahesh Borkar** presented research poster on “Computational Biology and AI in drug discovery” at ANRF Sponsored National Conference organized by Sunandan Divatia School of Science SVKM’s NMIMS University, Mumbai on 06/02/2026 to 07/02/2026.

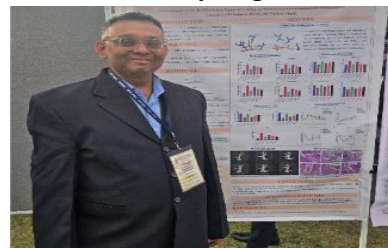

17. **Dr. Afreen Khan** presented research poster titled “Machine Learning Techniques Applied to Identify Mycobacterial Cell Wall Inhibitors Against Tuberculosis.” at ANRF Sponsored National Conference organized by Sunandan Divatia School of Science SVKM’s NMIMS University, Mumbai on 06/02/2026 to 07/02/2026.

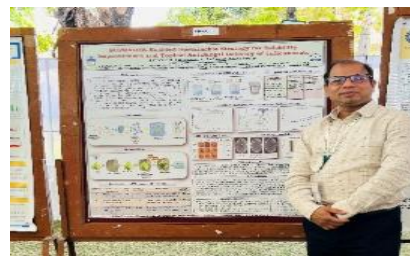

18. **Dr. Radhika Raheja** presented poster titled “Formulation and Evaluation Of Topical Dosage form of Bioactive Extract Of A *Costus* Species For Activity Against Inflammatory Skin Disease” at 5th International Conference on Natural Products for Future Therapeutics (NPFT 2026)” titled as Merging Traditional Knowledge with Modern analytics and Synthetic Innovation at NIPER Ahmedabad during 04/02/2026 to 06/02/2026.

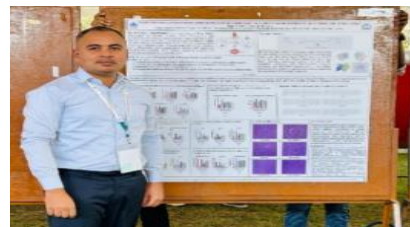

19. **Dr. Gaurav Doshi** presented a poster entitled as “Protective effects of Syringic acid on joint inflammation and damage in a rat model of Rheumatoid arthritis” at 5th International conference on Natural Products for Future Therapeutics (NPFT-2026) titled as Merging Traditional Knowledge with Modern analytics and Synthetic Innovation at NIPER Ahmedabad from 04/02/2026 to 06/02/2026.

20. **Dr. Mahesh Borkar** presented a poster titled as “SUPRADES- Enabled sustainable strategy for solubility improvement and topical antifungal delivery of luliconazole” at National Conference on Translational Opportunities in Natural Products Research (ToNPR-2026), at CSIR-IICT, Hyderabad on 05/03/2025 & 06/03/2025.

21. **Mr. Angel Godad** presented a poster titled as “Cardioprotective effects of Brucine Sulphate in Isoproterenol Induced Cardiomyopathy: An Silico and In Vivo study” National Conference on Translational Opportunities in Natural Products Research (ToNPR-2026), at CSIR-IICT, Hyderabad on 05/03/2025 & 06/03/2025.

22. **Ms. Akshata Pahelkar** presented an innovative product titled ‘pHyantra: A pH-responsive herbal spray for smart monitoring and healing of diabetic wounds’ at Pharma Anveshan 2026 (Daman, Diu & DNH, Gujarat), a state-level academia–industry conclave organized by the Pharmacy Council of India and South Gujarat Pharmacy College, under Category V: Innovative Product Display, on 24/03/2026.

23. **Dr. Meenal Rane** presented research work entitled “Novel drug delivery system for women health” presented at the Pharma Anveshan 2026, State level Academia-Industry Conclave organised by the Pharmacy Council of India and South Gujarat Pharmacy college in celebration of National Pharmacy Education Day, commemorating the birth anniversary of Prof. M.L. Schroff, held on 24/03/2026 in Shri G.M. Bilakhia College of Pharmacy, Rajju Schroff ROFEL University, Vapi, Gujarat.

24. **Dr. Munira Momin** presented at the International Conference and Workshop on Advanced Materials and Manufacturing for Biomedical and Composite Applications (AMBC–2026) on 15/05/2026 to 17/05/2026 at the Convergence Academia Complex, Mahatma Gandhi University, Kottayam, Kerala, India.

25. **Dr. Vasanti Suvarna** presented paper titled “Development of sulfur- and nitrogen-doped carbon dots (S,N-CDs) dual biosensor from *Ricinus communis* (castor) seeds for the estimation of Protamine and Uric acid in biological samples” at the 1st International Online Conference on Photochemistry (IOCPC 2026), on 08/04/2026 to 09/04/2026.

26. **Dr. Chintan Bhavsar** presented a poster titled ‘Research Tracks pursued at Laboratory of Translational Research in Healthcare’ at Young Investigator Meeting 2026 at held at Symbiosis International University, Lavale Campus, Pune organised by India Bioscience group on 02/03/2026 and 04/03/2026.

RESEARCH PROJECTS AND GRANTS RECEIVED BY THE FACULTY

Name of the Investigator	Title of project	Duration	Amount sanctioned (Rs)	Funding Agency
Dr. Munira Momin (PI) and Dr. Lokesh Bhatt (Co-PI)	Up-conversion nanoparticles (UCNPs) as a theranostics approach for bladder cancer using photodynamic and photothermal therapy	3 years	41,90,800	Board of Research in Nuclear Sciences (BRNS)
Dr. Gaurav Doshi and Dr. Sujata Sawarkar (Co-PI), Dr. Radhika Raheja (Co-PI)	“Design, development and preclinical evaluation of polyherbal topical formulation for treatment of Psoriasis”	3 years	30,00,000	Rajiv Gandhi Science and Technology Commission, Government of Maharashtra (RGSTC)
Dr. Gaurav Doshi (PI) and Mr. Angel Godad (Co-PI)	Toxicological studies and in vivo anti-inflammatory activity of Plant extract	18 months	3,73,470	Ethno Medicinal Research Centre (EMRC), Manipur
Ms. Chintan Bhavsar (PI) & Dr. Munira Momin (Co-PI)	Lipid Nanoparticles for neurodegeneration via targeted therapeutic delivery in Alzheimer's disease	12 months	17,00,000	DEVSAT Global, Australia
Dr. Sujata Sawarkar and Dr. Saurabh Katawale	Formulation Development of stable	7 months	7,08,000	Pharmadose LLP, Mumbai

Name of the Investigator	Title of project	Duration	Amount sanctioned (Rs)	Funding Agency
	parenteral Oxytocin Injection			
Dr. Sujata Sawarkar	HETCAM Assay of Cosmetics	1 month	25,000	Emami Ltd.
Dr. Meenal Rane	Development and evaluation of various cosmeceutical products	1 year	3,08,000	Orah Nutrichem Pvt. Ltd, Mumbai
Dr. Meenal Rane	Development and evaluation of vitamin E variants		29,000	Orah Nutrichem Pvt. Ltd, Mumbai
Dr. Meenal Rane	Development and evaluation of Haircare products		34,500	Orah Nutrichem Pvt. Ltd, Mumbai

RESEARCH PROJECTS ONGOING/COMPLETED DURING 2025-2026

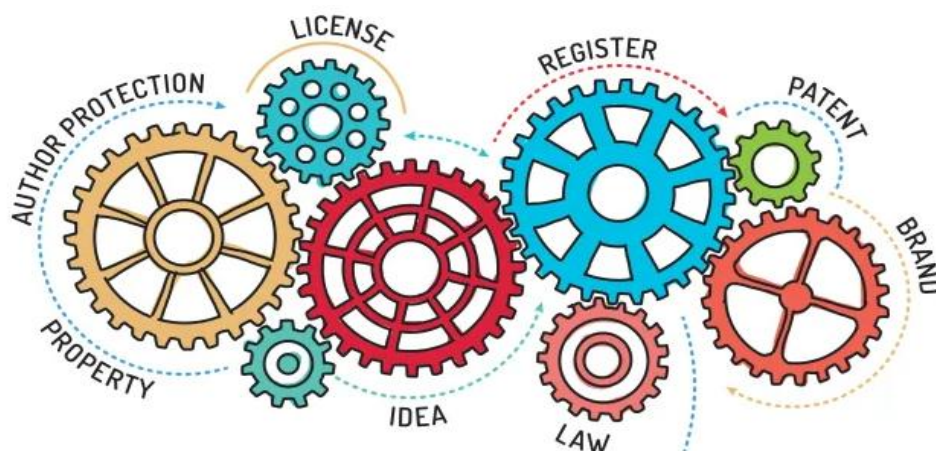

Name of the Investigator	Title of project	Duration	Funding Agency
Dr. Munira Momin Dr. Tabassum Khan	Facility Improvement in Science and Technology (FIST)- Public-Private Partnership	5 years	DST-FIST
Dr. Tabassum Khan Dr. Munira Momin Dr. Ahmed Ali and Dr. Nikhat Shaikh	Drugproving studies, mechanistic insight, and development of novel drug delivery systems of UNIM-H and UNIM-R in the treatment of arthritis in the Unani system of medicine.	3 years	AYUSH-CCRUM
Dr. Tabassum Khan Dr. Munira Momin	Synthesis, development, and efficacy of functionalized Hollow Gold Nanoparticles for Glioblastoma	3 years	Board of Research in Nuclear Sciences (BRNS) Dept of Atomic Energy Govt. of India

Name of the Investigator	Title of project	Duration	Funding Agency
Dr. Sujata Sawarkar	Enrichment of iron supplements with Indigenous herbs, and phytoconstituents for reducing oxidative stress, and inflammation, and availability for treatment of anemia	3years	RGSTC in collaboration with Kasturba Research Centre
Dr. Arati Prabhu	Flexible Rifampicin mimetics for combating drug-resistant tuberculosis'	1 year	Seed grant under SVKM's Research Promotion policy
Dr. Arati Prabhu	Engineering colon-targeting complex coacervates for cancer chemotherapy using indigenous gums from the Konkan region	2 years	RGSTC, Maharashtra State through the University of Mumbai in collaboration with SJIPR
Dr. Munira Momin and Dr. Meenal Rane (Co-PI)	Development of various nutritional products for the management of PCOS in adolescent girls	3 years	RGSTC, Maharashtra State
Dr. Rashmi Mallya and Dr. Sujata Sawarkar	Drying of wheat grass (Phase II) for the project titled "Development of multifunctional nanofiber gel for management of chronic venous insufficiency	1 year	Vantage LLP (ACG capsules)
Dr. Meenal M Rane	Topical cosmeceutical formulation for the management of Melasma"	1 year	Orah Nutrichem Pvt. Ltd
Mr. Sankalp Gharat	Development of a Novel Topical Ethosomal System for the Management of Rheumatoid Arthritis	1 year	Seed grant under SVKM's Research Promotion policy
Dr. Meenal Rane	A Promising approach for the management of Breast cancer	1 year	Seed grant under SVKM's Research Promotion policy
Dr. Lokesh Bhatt	Exploration of anti-glioblastoma activity of BRD-4 inhibitors and possible potentiation of anti-	1 year	Seed grant under SVKM's Research

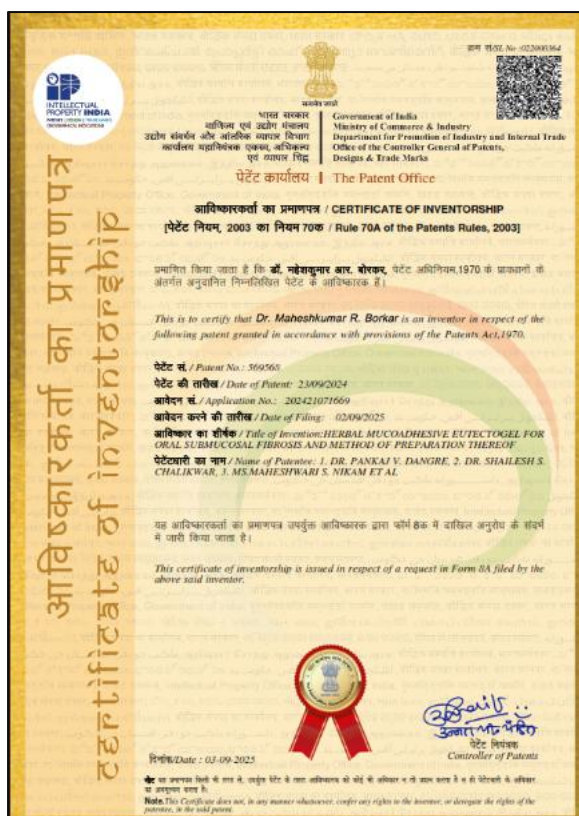

Name of the Investigator	Title of project	Duration	Funding Agency
	glioblastoma activity of Temozolomide by them		Promotion policy
Dr. Vasanti Suvarna	Green synthesis of multi-functional carbon dots using Ricinus communis leaves for waste-water treatment and bioimaging of cancer cells	1 year	Seed grant under SVKM's Research Promotion policy
Dr. Sujata Sawarkar and Dr. Arati Prabhu	Formulation Development, Characterization, and Preclinical Evaluation of Vaginal Delivery for Cervical Cancer Management	3 years	RGSTC Maharashtra in collaboration with ICMR National College for Research in Reproductive and Child health Parel, Mumbai, and STES's Smt. Kashibai Navale College of Pharmacy, S.P. University, Pune
Dr. Tabassum Khan (Co-PI)	An indigenous Synbiotic - A fortified probiotic product	3 years	RGSTC, Maharashtra State under the Scheme Assistance for Science and Technology Applications
Ms. Namrata Vadak (PI) (Mentor: Dr. Lokesh Bhatt)	Exploring the protective role of Bromodomain containing protein-4 inhibitor Nitroxoline in rat models of organ specific Ischemia-Reperfusion Injury	3 years	Fellowship for Ph.D. (DST WISE-PhD) for research in basic/applied sciences
Dr. Vasanti Suvarna (PI) Ms. Siddhi Parab Bagwe (Co-PI)	Evaluation of anti-asthmatic activity of NIF herbal formulation in the Ovalbumin (OVA) induced mice model" of Rs - from the	1 year	National Innovation Foundation, India.

Name of the Investigator	Title of project	Duration	Funding Agency
Dr. Vasanti Suvarna (PI) Ms. Siddhi Parab Bagwe (Co-PI)	Evaluation of the anti-obesity activity of NIF herbal formulation in the High-Fat Diet (HFD) induced model in rats” of Rs 3, 20,232/- from the	1 year	National Innovation Foundation, India.
Dr. Sujata Sawarkar	Evaluation of Torpedo shaped capsules for vaginal and rectal delivery	1 year	ACG Capsules Pvt. Ltd, Thane.
Ms. Namrata Vadak (PI) (Mentor: Dr. Lokesh Bhatt)	Paper presentation at International Conference 2024	Travel Grant	International Digestive Disease Forum 2024” Society Sponosored for paper presentation held in Hong Kong on 09/08/2024 & 10/08/2024
Ms. Namrata Vadak (PI) (Mentor: Dr. Lokesh Bhatt)	Paper presentation at International Conference 2024	Travel Grant	Indian Council of Medical Research, Delhi

PATENTS

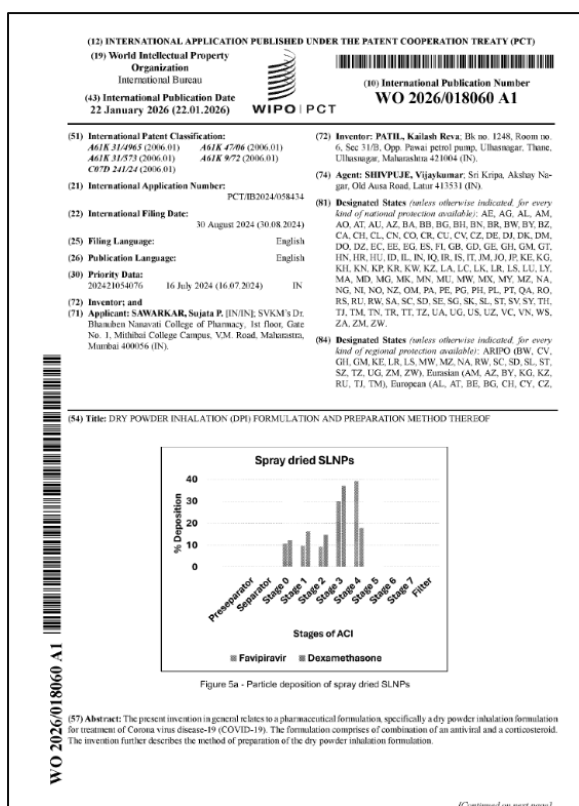

Name of the faculty	Status	Details of the title
Dr. Mahesh Borkar Patentee: PV Dangre, SS Chalikwar, M R. Borkar, Mrs. Maheshwari S. Nikam.	Published Patent number: 569568 Date: 23/09/2024	Herbal Mucoadhesive Eutectogel for oral Submucosal Fibrosis and Method of Preparation thereof.
Dr. Sujata Sawarkar Patentee: Sawarkar, Sujata P and Patil, Kailash Reva.	Patent number: WO/2026/018060 Date: 22/01/2026	Dry powder inhalation (dpi) formulation and preparation method thereof.
Dr. Tabassum Khan Patentee: Nadar Sahaya, Khan Tabassum, and Borkar Maheshkumar	Patent number: 202621011303 Date: 27/03/2026	Synthesis of focal adhesion kinase inhibitors as anti-cancer agents.

Dr. Mahesh Borkar

Student Inventor: PV Dangre, SS Chalikwar, M R. Borkar, Mrs. Maheshwari S. Nikam.

Herbal Mucoadhesive Eutectogel for oral Submucosal Fibrosis and Method of Preparation thereof. 23/08/2024.

Sawarkar, Sujata P

Student Inventor: Patil, Kailash Reva.

Dry powder inhalation (dpi) formulation and preparation method thereof.

INDUSTRY- ACADEMIA CONNECT/ TRAINING

- ❖ SVKM's Dr. Bhanuben Nanavati College of Pharmacy (Autonomous) was collaborator for 13th Annual International Symposium on Dissolution Science & Applications, organized by the Society for Pharmaceutical Dissolution Science (SPDS) on 21/11/2025 to 22/11/2025. The inaugural function was graced by the Chair of the conference, Dr. Santosh Indraksha, Deputy Drugs Controller (India), CDSCO, Mumbai, Chief Guest, Dr. Vivekanandan Kalaiselvan, Secretary-cum-Scientific Director, IPC, Guest of Honour, Dr. D. R. Gahane, State Drug Controller, Maharashtra and Dr. Bharat Shah, National President, IDMA. The theme of the event was 'Advances in Dissolution Technology and Regulatory Implications for Quality' and the event featured a diverse panel of eminent speakers representing a broad range of experience.

- ❖ MoU signed with 3DFying (3DFYING), Hyderabad, Telangana on 30/01/2026.
- ❖ MoU signed with Pharmadose LLP on 27/04/2026.

LUBRIZOL DAY Industry Institute Interaction on 28/07/2025 (No. of Participants: 57)

The Lubrizol Day was organized to honour the longstanding collaboration between academia and industry, and to foster awareness among students about cutting-edge developments in specialty chemical of the Lubrizol i.e. Carbopol. The event was graced by **Dr. Gaurang Parekh: Manager- Technical Services and Applications Lubrizol Life Sciences** and **Mr. Girish Kore: Manager Technical Services South Asia and Middle East** who shared valuable insights with the students.

Industry Conclave 2025, organized on 28/06/2025, (No. of Participants: 56)

Esteemed industry stalwarts and technocrats from various pharmaceutical and healthcare sectors shared valuable insights to foster professional competency, internships, and industrial skill sets among students.

The conclave was graced by esteemed industry experts from various domains. **Mr. Jinesh Chauhan**, Cipla Ltd, Mumbai; **Dr. Subhashis Chakraborty**, ACG Capsules, Mumbai; **Dr. Sunita Ranade**, Infisolve India Pvt. Ltd.; **Mr. Pavak Mehta**, Macleods Pharmaceuticals Ltd., Mumbai; **Mr. Anish Chaurasia** and **Mr. Dharmik Patel**, Ipca Laboratories Limited, Mumbai; **Mr. Nitul Shah**, Accutest Research Laboratories (I) Pvt. Ltd., Navi Mumbai; **Mr. Balu Misal**, Loba Chemie Pvt Ltd, Mumbai; **Dr. Vijay Bagul**, Medley Pharmaceuticals Ltd, Mumbai; **Dr. Sandeep Zokande**, Indoco Remedies Ltd, Mumbai; **Dr. Suhas Yewale**, Sotax India Pvt. Ltd., Navi Mumbai; **Dr. Niteshkumar Sahu**, Zoetis Inc., Mumbai; **Dr. Rahul Somani**, Alkem Laboratories Ltd., Mumbai; **Dr. Shirishkumar Ambavade**, Institute of Chemical Technology, Mumbai ; and **Dr. Vaibhav Gaur**, Cipla Ltd., Mumbai.

INDUSTRY TRAININGS / WORKSHOPS

- ❖ **Dr. Radhika Raheja** completed 2 weeks industry training at Ultrapure Analytics (I) Pvt. Ltd. from 02/06/2025 to 21/06/2025.
- ❖ **Dr. Gaurav Doshi** completed 2 weeks industry training at Pure Chemical Research, Navi Mumbai, from 09/06/2025 to 21/06/2025.
- ❖ **Dr. Tabassum Khan** attended an Online meeting with Mr. Suddhir Jain, Bionova Lifesciences, Bangalore, for the potential commercialisation of two patented products, 02/08/2025.
- ❖ **Dr. Munira Momin** and **Dr. Meenal Rane** along with SVKM's IPR Cell attended online meeting with Mr. Rohit and Mr. Subradasgupta from United labs Pvt. Ltd. on 22/08/2025 to discuss the commercialization of patent work of Dr. Meenal Rane (transferred to SVKM).
- ❖ **Dr. Munira Momin** and **Dr. Meenal Rane** actively participated in the one-day training program for regulators on Optimising Dissolution compliance organised by The Society for Pharmaceutical Dissolution Science and Central Drugs Standard Control Organisation (CDSCO) and supported by SOTAX India on 12/11/2025 at CDSCO Office, Mumbai Central.
- ❖ **Dr. Prerna Waghmare** conducted a meeting with Rochem Separation Systems (India) Pvt. Ltd. For collaboration for RGSTC research grant on 06/11/2025.

PROFESSIONAL ENGAGEMENT & EXCELLENCE

AWARDS/ FELLOWSHIPS/ FELICITATION

Awards

Dr. Tabassum Khan and **Dr. Lokesh Bhatt** featured amongst the **Top 5% Scientists** of the SciRank Global Database 2025 published by Global Scientist Index 2025 – Global Scientific Index & Scientist Ranking.

Dr. Apoorva Phadke secured **first position** in the **female Table Tennis competition** at **TVISHA 2.0**, held at L H Hiranandani, Ulhas Nagar, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch.

Dr. Prachi Pimple, Dr. Arundhati Abhyankar, Dr. Prachi Pathak, Dr. Prerna Waghmare and Ms. Akshata Pahelkar secured **second position** in the **female throw ball competition** at **TVISHA 2.0**, held at LGHGCT's Gahlot Institute of Pharmacy in Koparkhairane, Navi Mumbai, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 12/01/2026.

Dr. Sandip Zine and **Mr. Angel Godad** were a part of male cricket team which secured **third position** in the **Box Cricket competition** at **TVISHA 2.0**, held at NCRD's Sterling Institute of Pharmacy, Nerul, Navi Mumbai, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 12/01/2026.

Dr. Prachi Pimple secured **third position** in the **Chess competition** at **TVISHA 2.0**, held at AET's St. John Institute of Pharmacy and Research, Palghar, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 21/01/2026.

Dr. Radhika Raheja bagged "**Best Poster Presentation**" award at the **International Conference on Natural Products for Future Therapeutics (NPFT 2026)** held at NIPER, Ahmedabad during 04/02/2026 to 06/02/2026.

Dr. Afreen Khan received **Second prize for poster presentation** at the **National Conference on Computational Biology and AI in Drug Discovery**, organized by NMIMS Sunandan Divatia School of Science on 06/02/2026 to 07/02/2026.

Dr. Munira Momin as corresponding author and **Mihika M. Shringarpure, Aditi R. Joshi, Sankalp A. Gharat** as co-authors received **IDMA ACG SCITECH Best Research Paper Awards 2025** in the category **‘Research article’** in the discipline **‘Best Research paper in Pharmaceutics in 2025’** at the IDMA 64th Annual Day Celebrations held at Hotel Taj, Santacruz on 13/02/2026.

Dr. Sujata Sawarkar as corresponding author and **Dr. Munira Momin, Ms. Shrutika Gawli** as coauthors received **IDMA ACG SCITECH Best Research Paper Awards 2025** in the category **‘Review article’** in the discipline **‘Best Research paper in Pharmaceutics in 2025’** at the IDMA 64th Annual Day Celebrations held at Hotel Taj, Santacruz on 13/02/2026.

Dr. Gaurav Doshi received the **Best Faculty Award** on the occasion of **Annual Day AUBE 2026** on 27/03/2026.

Dr. Vasanti Suvarna, Dr. Sandip Zine, Dr. Siddhi Bagwe Parab, Ms. Akshata Pahelkar and Dr. Saurabh Katawale received the **Shining Star Award** on the occasion of **Annual Day AUBE 2026** on 27/03/2026.

Dr. Vasanti Suvarna received “**Appreciation Award**” in recognition of her dedication and contribution for two decades on the occasion of **Annual Day AUBE 2026** on 27/03/2026.

IPR Awards

Dr. Munira Momin, Dr. Sujata Sawarkar, Dr. Tabassum Khan, Dr. Vasanti Suvarna, Dr. Atul Sherje, Dr. Mahesh Borkar and Dr. Apoorva Phadke were felicitated by SVKM's IPR Cell in recognition of their contribution and excellence in Innovation and Intellectual property on the occasion of World Intellectual Property Day-2026 on 27/04/2026.

STAFF AWARDS

Mr. Abhishek Rawool and Mr. Bhupendra Nirgun received “Appreciation Award” on the occasion of Annual Day AUBE 2026 on 27/03/2026.

Mr. Anand Rane received “Appreciation Award” in recognition of her dedication and contribution for two decades on the occasion of Annual Day AUBE 2026 on 27/03/2026.

Mr. Sandeep Kudkar won first position in the Carrom competition at TVISHA 2.0, held at the Konkan Gyanpeeth Rahul Dharkar College of Pharmacy and Research Institute, Karjat, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 08/01/2026.

Mr. Sandeep Kudkar won second position at the Chess competition at TVISHA 2.0, held at AET's St. John Institute of Pharmacy and Research, Palghar, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 21/01/2026.

Mrs Lina Shivalkar was a part of the female throwball team and secured second position in the female throwball competition at TVISHA 2.0 organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 12/01/2026.

Mr. Bhupendra Nirgun, Mr. Harishchandra Matkar, Mr. Anand Rane, Mr. Aditya Gaikwad, Mr. Manoj Sakpal, Mr. Kapil Solanki, and Mr. Abhishek Rawool were a part of male cricket team which secured third position in the Box Cricket competition at TVISHA 2.0, held at NCRD's Sterling Institute of Pharmacy, Nerul, Navi Mumbai, organized by the Association of Pharmaceutical Teachers of India, Maharashtra Branch, on 12/01/2026.

PhD Awardees

Ms. Siddhi Bagwe Parab Successfully defended her Ph.D Thesis (Pharmaceutical Sciences) titled "Exploring the Potential Role of Emoxypine Succinate in treatment of Alzheimer's Disease" on 14/01/2026 at SVKM's SPPSPTM, Guide: Dr. Ginpreet Kaur, Professor, Dept. Pharmacology.

STUDENT PRESENTATIONS

Sr. No.	Name of the Students & Guide	Topic	Event
1.	Nehal Sarvaiya (M. Pharm) Guide: Prof. Sujata Sawarkar	The Pivotal Influence of Dissolution Techniques on Controlled-Release Amorphous Solid Dispersion (CASD) Optimization (Runner-up)	Dissolution Research Presentations International DRPI - INDIA 2025, 20/09/2025.
2.	Janhavi Panchal (M. Pharm) Guide: Dr. Rashmi Mallya	Development & Evaluation of Topical Hydrogel of Mixed Polymeric Micelles for Delivery of Quercetin in Psoriasis treatment (Runner-up)	
3.	Shruti Thakur & Niyati Mehta (M. Pharm) Guide: Dr. Atul Sherje	Formulation and Evaluation of Nanocarrier based drug delivery system, (2nd prize)	Synergy HQ 1.0 Competition organized by the Vivekanand Education Society's College of Pharmacy, Mumbai-Scientific Poster Presentation PG Category on 10/10/2025.
4.	Adarsh Raval, Dev Solanki, Deep Solanki, & Shreyash Jaiswal (M. Pharm) Guide: Dr. Munira Momin	Optimization and Evaluation of Sustained Release Tablets utilizing Artificial Neural Network Modeling, (Consolation Prize)	
5.	Swapnil Raut (PhD) Guide: Dr. Lokesh Bhatt	Potent in vitro and in vivo antiglioma activity of Hinokitol via inhibition of DNMT1 and UHRF1	ESMO Congress 2025 (European Society for Medical Oncology), from 17/10/2025 to 21/10/2025 at Berlin, Germany.
6.	Disha Raja, Sakshi Bhosale (Final year. B. Pharm) Guide: Dr. Mahesh Borkar	Application of Deep Eutectic Solvents (DESS) for the extraction of phytochemical constituents	CSIR sponsored 2 nd DMCP-DMIHER Healthcare and Technology Summit from 31/10/2025 to 01/11/2025 organised by Datta Meghe College of Pharmacy, DMIHER (DU).
7.	Gayatri Gayakwad (M. Pharm) Guide: Dr. Vasanti Suvarna	PEGylated multiwall carbon nanotubes as efficient fluorescence for curcumin sensing	Two days National Conference on 'Entrepreneurship Opportunities in Natural Products – Innovating

Sr. No.	Name of the Students & Guide	Topic	Event
8.	Tanvi Patel (M. Pharm) Guide: Dr. Meenal Rane	Transforming natural actives into Marketable innovations.	Natural Wealth for Global Markets' held on 28/11/2025 and 29/11/2025 jointly organized by School of Pharmacy and School of Ayurveda, D Y Patil Deemed to be University, Navi Mumbai, Maharashtra
9.	Amisha Pardesi (M. Pharm) Guide: Dr. Meenal Rane	Nanotechnology :Anise oil nanoemulgel for Rheumatoid arthritis	
10.	Khushali Nathani Guide: Dr. Sujata Sawarkar Won 1st Prize, award and gold Medal at Final Round	Myoheal: An advanced scaffold for the management of volumetric muscle loss	State Level in 18th Aavishkar Maharashtra Interstate University Research Convention 2025-26 organized at Vasantao Naik Marathwada Krushi Vidyapith, Parbhani on 31/01/ 2026.
11.	Abdussamad Kazi Guide: Dr. Lokesh Bhatt Won 1st Place	Dyclonine Suppresses calcineurin-nuclear factor of activated T cell signaling in cardiac hypertrophy	8 th International Conference (NIPiCON 2026) titled as Transforming Health Care: New Horizons in Pharmaceutical Sciences for Viksit Bharat held at Nirma University from 29/01/2026 to 31/01/2026.
12.	Shruti Thakur Guide: Dr. Atul Sherje Won 2nd Place	Development and evaluation of hyaluronic acid conjugated clobetasol propionate loaded chitosan nanoparticles hydrogel for psoriasis treatment	
13.	Anery Shah Guide: Dr. Gaurav Doshi	Anxiolytic efficacy of idebenone in mice: A molecular and computational approach	
14.	Saddicha Mantri Guide: Dr. Gaurav Doshi	Protective effects of syringic acid on joint inflammation and damage in a rat model of Rheumatoid arthritis	
15.	Shreeya Bhujbal Guide: Dr. Lokesh Bhatt	Neuroprotection by gamma oryzanol in BCCAO-induced Ischemia: Modulation of Nrf2/NF-kB axis	

Sr. No.	Name of the Students & Guide	Topic	Event
16.	Komal Bandre, Neeraja Racharla, and Pranjal Yadav Guide: Dr. Prachi Pathak Won First Prize with a cash award of ₹5,000	Translational insights into retinal degeneration: from mechanism to modern therapies	National symposium “Vision 360: Translating Ophthalmic Innovations from Bench to Bedside” organized by Vivekanand Education Society’s College of Pharmacy, Mumbai, on 24/04/ 2026.
17.	Chaitrali Jaitapkar and Chinmai Jitapkar Guide: Dr. Tabassum Khan	Ophthalmic Prodrugs: An Emerging Strategy for Enhanced Ocular Bioavailability and Therapeutic Action	
18.	Nehal Sarvaiya Guide: Dr. Sujata Sawarkar Won Third Prize	Rutin - Loaded Niosomal Dissolving Microneedles: A Novel Transdermal Anti-Aging Therapy.	24 th International e-Symposium "Advances in Technology and Business Potential of New Drug Delivery Systems”, held by Controlled Release Society Indian Chapter on 27/02/206 and 28/02/2026.
19.	Shruti Thakur Guide: Dr. Atul Sherje Appreciation Prize	Hyaluronic acid conjugated Clobetasol Propionate loaded Chitosan nanoparticles Hydrogel for Psoriasis treatment	InnoSpire 2026 – An International Conclave organized by Rajarshi Shahu College of Pharmacy on 22/02/2026.
20.	Sonam Tanwar Guide: Dr. Lokesh Bhatt	Evaluation of blood brain barrier permeability of flavokawain A in rats using LC-MS/MS	12 th International Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-12) hosted by the Mediterranean Society (AMAPMED) and School of Allied Health Sciences of the Walailak University (Thailand) from 21/01/2026 to 24/01/2026 in (Chon Buri) Bangkok, Thailand.
